- Treasurer's Report:** No report today.
- Cookies:** Thank you to Jennifer for the goodies this week. There are some openings for cookie sign-up, please add your name to the list for bringing cookies.
- Guests:** Welcome Richard H. and Logan.
- Website:** The website is up-to-date. Facebook is also up-to-date. Take a look at the site to see past meeting photos.
- Business:**
- Birthdays** – Happy Birthday Brian S.!
- Ontario Wood Carvers Association (OWCA)** – The OWCA magazine is available. It is at the front table.
- Theater Sarnia** – The theater group has approached Triple C to request a 2ft square carving of their logo (drama/comedy/tragedy masks within a frame). The carving will be mounted in the center of their black board. They are offering payment in exchange for the work; the money will go towards our club. At this time, the vision is that 4-5 people from Triple C would work on the logo under the 'supervision' of a Triple C project manager. Our club would supply the wood. Dennis stated that next week we will be voting on whether we want to take this on. Cost and schedule will be discussed further.
- Reminder** – June 5th is the last day of carving. July 27th is the Lambton Heritage Museum date (note: waiting for confirmation from Museum folks to make this official).
- April Maple** – Today is the maple leaf carving class. Thank you Arnold and Gilles. Please note that for the next few weeks Arnold and Gilles will be available to consult on your maple leaf project.
- Tech talk:** Brian informed club members that the Lambton Library had made an error where they believed he had not returned a loaned item and they were prepared to recover

the value of the item if he didn't pay in a timely manner. Upon further investigation on his urging, the item was located within one of the libraries. Club members suggested that loaned items can be reliably returned at the library desk and a receipt for the item can be requested.

Upcoming Events:

July 27th (Saturday) Lambton Heritage Museum.

On this date, they will have just opened a new hockey exhibit. They will also run an 'antique roadshow' type event.
