**Treasurer's Report:** No report today.

**Cookies:** Thank you Garry and Joanne for goodies this week. Next week is Brian M.

**Guests:** No guests or new members today.

**Website:** Dennis is following-up with World of Decoys regarding a link to Triple C carvings.

**Business:**

**Birthdays** – Brian M. and Leo had a birthday last week, but missed last week's meeting, so everyone wished them a belated Happy Birthday.

**T-shirts** – T-shirts were distributed today. A surplus of \$3 was collected as compared to the actual bill. This money was returned to the club. If you didn't pick-up your T-shirt this week, it will be available for pick-up at the next club meeting.

**Calgary Carvers** – Many thanks to all those who led the Sarnia club and provided support while Pat was away. The Calgary club is about the same size as Sarnia and they operate a little differently from Sarnia's club; here are the notable differences:

- they meet in the evenings (this allows father/son, grand-father/grand-daughter's to attend)
- No formal meetings. Newsletter is 1/mth frequency.
- Sit all together at a table that is arranged in a big square.
- Charge an annual fee (\$70) as opposed to pay-as-you-go.
- they meet in a senior's centre and have access to a workshop with power tools.

**Imperial Theatre Logo** – Dennis will follow-up to determine the status of the logo mounting.

**Norman and Judith Alix Gallery** - Preliminary discussions are being held with Wayne B. for Triple C to do a display at the gallery. Timing for the display would be +1yr down the road.

**Theme Day** – Next week is theme day at the display table : Lucky charms and green carvings.

**Mooretown Museum** – July 6<sup>th</sup>(Sunday), 1-4PM Model Train Day at the Mooretown Museum. Triple C has been invited to display/demo carving. Approximately 8 people showed interest in participating in this event. Pat will inform the museum representatives that Triple C is all-aboard.

**Carving Shows** – A carving show will be held in Waterloo June 6th thru 8th. [Link](#). Also a reminder that Metro Carvers in Michigan have their show coming up this weekend (March 22-23). [Link](#).

**Ontario Wood Carvers Association Magazine** – Now only offered online. Here is the link to the latest issue. [Link](#).

**Tech talk:**

Terry brought in fingernail files for give-away. These are good for fine sanding, and the tip of the file can be tapered to get into those hard to reach places of your carving. Terry is looking for ideas for how to weave wood through the openings of a stick. Lastly, what is 'a fair bit' with respect to distances? 1/4 mile? 35 km? Any insight into the actual distance 'a fair bit' represents is appreciated.

**Upcoming Events:**

**Next week (March 26)** - Theme Day at the Display Table, Lucky Charms and Green Carvings.

**Upcoming shows** - Metro Carvers this weekend coming up (March 22-23, 2025).
