Business: **Next week, June 4th** - Next week is our last meeting at the Navy Club until September. Recall that Carving Under the Bridge will start-up on June 18th and that it will take place weekly.

June 11th Year-End BBQ - Approximately 32 people are expected to attend the potluck. We are very happy to hear that Stan and his partner will be attending from the St-Thomas club. Also, the wood that Ernie has been storing for the club will be made available for free to club members. We will be prepared to cut wood to length as Dennis will have his small chain saw.

Reminder: The sign-up sheet for the pot-luck is available at the front.

The club will provide the hamburgers and buns. Plates and cutlery will also be provided. Club members are asked to bring a pot-luck dish and a lawn chair. The event will go-ahead, rain or shine. Spouses welcome.

Challenge - This was the last Challenge for this carving season, a 1.5" wooden disc. Approximately 7 people participated. A random draw was held, Harvey and Rick each won a \$10 Tim's card, and Pat won some chisels which Harvey had donated to the club.

Veteran Carvings - Garry has blanks for the Festive Pine Cone and Christmas Light ornaments. Instructions are also available. Please take the blanks so we can get a jump on making these items for our veterans.

Comfort Crosses - Harvey has cut some blanks for making comfort crosses. If you want to donate your cross, finished crosses are being collected by Pat for give-away to the public at our upcoming outings this summer and for give-away to the public during the summer Carving Under the Bridge.

Tech talk: Harvey showed the gloves that he wears when cutting wood on the scroll saw. They are sold as gardening gloves, and have a very grippy palm which helps to stay steady.
